

Port Macquarie Sabbath Fellowship (New South Wales)

What a delightful Sabbath (5 November) filled with pleasant surprises during the fellowship with the brethren in the Port Macquarie area. We studied the Bible together on the hillside, surrounded by God's marvellous handiwork. We explored the subject of Melchizedek as well as Christ's authority as the Son of God. The highlight came in the afternoon with three baptisms and two child dedications. The Lord worked marvellously in leading and organizing this event better than anything we might have planned.
