

Serbia Sabbath Fellowship 2016

Sabbath the 20th of August found us meeting with a new group of people in Sremska Kamenica, Serbia. While in Germany, a brother who attended meetings and was blessed by them wanted us to visit a group in his home country, Serbia. After few emails and messages a meeting was organised for the following Sabbath afternoon (the 20th) at a sister's house. The attendees were from different

denominational background, but all were interested in the word of God. The topic discussed was the Godhead. The presentation was followed by a Question and Answer time. All present appreciated the fellowship and message shared
