Storm Coming

'Son, our earthly children are going to go through a "time of trouble" they have never known before.

1

'Yes Father. And the little time of trouble before the storm will seem to be the storm.'

'True. Many of our children will be laid to rest, but this will protect them.' *2*

'It will seem as if there will be no one left for My return.'

'Son, there will be a remnant.' ***

'Oh yes, and these will have the protection of angels during the terrible time of the seven last plagues. With angels surrounding them, nobody can touch them.'

'And no plague will come near their dwelling.' *3*

'It is so sad Father. No one need suffer these plagues, but if they refuse our gift of salvation, they are choosing to suffer them.'

'Son, we did everything we could.'

The Father puts His arms around His Son and holds Him close. Their hearts ache for the men and women who have refused salvation, but it will soon be too late.

Preparations

Satan is astir. He has brought chaos upon the earth with earthquakes, hurricanes, tornadoes, cyclones, tsunamis, pestilences, viruses and famines.

Crime and hatred have increased so that the “imagination of the thoughts of the heart are only evil continually.”⁴

The devil’s plan is to control every human being on earth that he might be worshipped. It was his plan in Heaven to dethrone God’s Son and take His place next to the Father, but he was cast out for rebellion.

This time he is determined not to fail.

At present Satan and his evil cohorts are moving upon world leaders to put the final details in place. He has many human beings under his control, and these do his bidding.

Billions of men and women would never literally bow down to the devil, so his deception must be subtle, something they would not expect.

By means of a ‘religious’ law, the governments of the world will compel men and women to obey. No one would ever guess this is worshipping the devil.

Mark of the Beast

The United States of America will pass the 'religious' law. As a result of this legislation, the nation will become an image of the Antichrist, and it will speak as a "dragon". ⁵

All who obey this law will receive the "mark of the beast" and the wrath of God. ⁶

Those who refuse to obey the law have the seal of God's approval, but they will not be able to "buy or sell." ⁷ Imagine going to the supermarket and being refused entry. Some large stores have electronic devices at their doors in preparation for this time.

After this 'religious' law is passed in the United States, every country on earth will enact it. They have all voted for the Paris Agreement and accepted the hidden agenda in the Papal encyclical '*Laudato Si*', 'Care for Our Common Good'. ⁸ *

*'Lucifer', * says one of Satan's angels, 'the Paris Agreement is not religious.'*

'True, but 'Laudata Si' is, and its our day of worship, not God's. It doesn't matter if we say its climate change or health or whatever else. If people accept the law as binding, we have got them.'

Discussion

'Oh, so to obey the Paris Agreement is worship.'

'No, not yet. its only after the 'religious' law is legislated in the United States and all nations follow, that it becomes worship. Even now some countries are closing stores on Sundays.'

'And to obey this law is to worship you?'

Satan emphasizes his words. ***'Yes, to obey is worship. I will be the god of this earth.'***

'Master, remember the three Hebrews in Babylon who refused to bow down to a golden image? ⁹

'Yes of course. They alone in the realm were rebellious.'

'Will there be people like those Hebrews?'

'Yes, there will be some rebellious ones who refuse to worship me. But we will get them just like we got all the Jews in the Roman siege.'

'Actually, the Christians fled before Rome returned under Titus. So we missed out on them.'

'Why do you bring up these things? This time there is no place to flee.'

Satan's Determination

'But what if.....'

'Will you stop. We will win, and the world will worship me.'

'Sorry Master. Yes, we will win.'

'Master, on another subject. What about the seven last plagues?' ¹⁰

'What about them?'

'Well, we don't cause them, God does. I think it's called the "time of trouble such as never was...."'

'Yes, I believe the plagues are punishment.'

'Will they affect us?'

'Nooooooo. No. No. Of course not. We won't suffer the plagues.'

'They won't affect the remnant either.'

'Will you stop talking about a remnant. If these few people are not destroyed during the time of the "mark", I have another plan.'

'Oh, you think of everything.'

'Of course, I wasn't made the leader of the angels for nothing. Now be off and do your duty.'

The Image

“And I beheld another beast (the United States of America) coming up out of the earth, and he had two horns like a lamb, and he spoke as a dragon.

And he exercised all the power of the first beast (the Antichrist) before him, and caused the earth and them that dwell therein to worship the first beast, whose deadly wound was healed.” ¹¹ *

‘Lucifer, the American people are rising up. They won’t take the disasters any longer.’

‘You are right, and my miracles are helping them.’

“And he doeth great wonders.... And deceiveth them that dwell on the earth by the means of those miracles which he had power to do ...” ¹²

‘Some people are giving a warning against it and saying this is the “image to the beast.” What will happen to them? ¹³

‘Don’t worry. The very thing they are fighting against will end up with them not being able to get food to eat. I’ve planned it all.’

‘You have planned it well my Master.’

‘Let’s be going. We have minds to control.’

The Law

The last opportunity for anyone to leave the big cities is when the United States passes the 'religious' law.

Haste will be needed.

Jesus spoke of this *in type* when He told His disciples to leave Jerusalem before Rome returned to destroy the city.

“When ye see the abomination spoken of by Daniel the prophet... then let him that be in Judea flee to the mountains: Let him that is on the housetop not come down to take anything out of his house; neither let him that is in the field return back to take his clothes....” ¹⁴

As soon as this 'image to the beast' law is passed, every man, woman and child who wants to leave must do so immediately as it won't take long for the governments of the world to enact the hidden agenda of the Paris Agreement. *

Then the cities will be locked down.

Be warned if you live in the city.

Have your bags packed and in the car.

Or leave now!

The Siege

The Christians who obeyed Jesus to leave Jerusalem were spared suffering and hunger. They fled to the mountains and township of Pella in Decapolis and were safe. ¹⁵ *

All who did not flee were trapped when Rome returned under General Titus in AD70. Jerusalem was locked down and the city was plunged into the worst siege ever recorded.

Multitudes were cut down with the sword. Many more died of starvation. If a little food was found, it was snatched from the hands of the elderly and young. Men and women even tried to alleviate their hunger by eating their small children and babies. History confirms the prophetic words of the Bible. "... and thou shalt eat the flesh of thy sons and of thy daughters..." ¹⁶

Even hardened Roman soldiers were horrified at the cruelty they witnessed in the siege.

This lack of love was not because the people were cannibals. They were everyday men and women, but their disobedience to the Law of God, and rejection of the Messiah (Yeshua/Jesus) took from them every good and decent trait of character.

Evil Characters

“The heart is deceitful above all things, and desperately wicked: who can know it?” ¹⁷

Satan was able to put into the minds of the men and women trapped in Jerusalem his own cruelty, and they did things they would never have considered under normal circumstances. The human heart is already wicked, and without the Spirit of God, it becomes Satanic.

When the ‘religious’ law is in place and the cities are closed, the authorities will be void of kindness and sympathy. Their characters will be so hardened, the Spirit of God will have been withdrawn. Over the years they have heard God’s still small voice, but would not listen. ¹⁸

When dealing with men and women who refuse to obey the law of the land, it won’t matter how much the children cry or mothers plead.

In no uncertain terms they will be told, ‘*The law is the law. You obey and you can eat.*’

Once the city has been locked down, it will be too late to accept the hospitality of family or friends who have offered a place to stay.

Preparation should be now, not at the last minute.

Trapped

An example took place in New Orleans some years back when hurricane Katrina flooded the city. Men and women tried to leave, but the flood waters cut off streets to the highway. There were concerns a second hurricane would push the flood-swollen Mississippi River above the height of the levees surrounding the city.

A few men decided if they could not drive out, they would walk, and they began walking along a deserted highway. In a few moments armed security guards surrounded them and demanded they turn back. *'You cannot leave the city. 'But why? We aren't doing anything wrong.'* Protesting was to no avail and they had to return.

Those who receive the "mark of the beast" (including kings, queens, princes, presidents, and prime ministers) have all broken God's Law and rejected Christ as their Saviour. Many ministers of religion will receive the "mark" because they denied the Sonship of Jesus, His virgin birth and resurrection.

It is not only the Jewish nation that became heartless at the time of the Roman siege. Every human being on earth, will be the same --- except a small remnant.

In the Hand

John and Mary are worried. What should they do? They know that if they receive the “mark of the beast” they will be lost.’¹⁹

‘But John, our children are hungry and there is not much left. What will we do?’

‘I don’t know Mary. I have already tried to get into the supermarket, but they won’t let me in.’

‘What will we do when the food runs out??’

‘Maybe we should obey the government anyway. We can still keep the Sabbath, and do missionary work on Sunday.’

‘I don’t know John.’

‘Well, I think it’s okay. I am going to talk to the council.’

‘Oh John...’

John is away a long time, but eventually he returns with a bag of groceries.

‘Oh John. Where did you get these?’

‘From the supermarket. They let me in.’

‘But did you get the mark?’

‘Don’t worry about that Mary. I did what was right for our family.’

In the Forehead

Other men and women believe the law is good and for their benefit.' After all, they have kept Sunday all their Christian lives.

'Ella, it can't be wrong to keep this law. Sunday is our day of worship, so the law is in our favour.'

'Yes Pete, almost every Christian church keeps Sunday and the government knows this.'

'It's those Sabbath-keepers who are causing all the trouble.'

'Our minister said Sunday has been kept for centuries. Even the pagans kept it, so we can't be wrong.'

'Well Ella, I believe Sunday is God's holy day and He would not allow the government to make that day into something evil.'

A lack of Bible study, even a sincere belief, cannot counteract error.

God's Word says they will "...with all deceivableness of unrighteousness perish; because they received not the love of the truth, that they might be saved. And for this cause God shall send them strong delusion, that they should believe a lie." ²⁰

Serious Warning

This booklet contains a very serious message, but the majority of men and women have no idea it is in the Bible. This includes many Christians. Their services rarely, perhaps never, deal with end-time events. Some ministers give ten-minute sermons on being a good person. Others encourage blessings for positive thinking. Still others emphasize 'planting a seed' by giving money.

How many know how to avoid the "mark of the beast"? Or even that there is a "mark"?

At times advertisements show a shop giving away 'the mark', and Christians are told not to go into that shop. This is very simplistic. It is true the world needs a way to distinguish between those who obey the 'religious' law and receive the "mark", and those who choose not to obey.

However, the "mark of the beast" is far more than the outward act; it is spiritual.

It is allegiance to the god of the day of worship, which makes it religious. The hidden agenda linked to the Paris Agreement contains the "mark" of Antichrist's authority in changing the Sabbath to Sunday. ²¹

Decision

The 'little horn' was prophesied to "change times and laws".²² The Douay Bible translates it "think himself able to change times and laws". No man can change God's Law.

In spite of this, the Antichrist (also called the little horn, the man of sin, the beast, and the great whore) has changed it for millions of men and women who bow at its altars.

The *god* of this day of worship is pagan. The *day* of worship is pagan. Devotees have no idea; they simply obey the rules. God has His faithful people in this communion, and they are being called out before it's too late.²³

The true day of worship was sanctified at creation by the great God of the Bible and His beloved Son. They sanctified and blessed the seventh day after they had rested.²⁴

This blessing has never been revoked. Neither has it been transferred to the first day of the week. The seventh day is still God's holy day, blessed and sanctified.

Dear Reader, you have now read the warning. It is serious.

What will you do with it?

* "In her April 22, 2017 Earth Day news release, U.S. House Speaker Nancy Pelosi said, "The Bible tells us in the Old Testament, 'To minister to the needs of God's creation is an act of worship. To ignore those needs is to dishonor the God who made us.'" This is not actually in the Bible, as many have pointed out, but she often quotes it. Pelosi was particularly referring to President Donald Trump's plans to withdraw America from the Paris Agreement. The rule is that no one can withdraw until September 2020. It will be interesting to see what happens then. Trump plans to rewrite an agreement that satisfies America.

At the end of May 2017, Pope Francis gave Donald Trump a copy of his encyclical *Laudato Si* (written May 24, 2015, meaning 'Care for our Common Good'). It was Pope Francis' first full encyclical on the environment. In it he spoke of Sunday as the day of worship. (Section 237). Pelosi is fully in favour of its message, saying there is a need "for strong urgent action to fight the climate crisis." If Sunday is made a day of rest around the world,

our atmosphere will rejuvenate. Sounds good, but the hidden agenda is ominous.

A Sunday law was confirmed to a believer in 2015 who was handing out the book 'The Great Controversy' to the crowds who came to see the pope. At that time hundreds of priests were arriving to attend a meeting to teach senators how to combat climate change. One priest came over and asked what he was doing. He showed him the book, and then he asked what they were doing. Asking the priest if he could tell him how they would teach the senators, he said, '*You will do it by a Sunday law.*' The priest was shocked, '*How did you know?*' He did not tell him he was a student of Bible prophecy.

* Bible prophecy is in code, but the symbols are identified in Scripture. Beasts represent kingdoms or nations. In Revelation 13, the second beast/nation comes out of 'the earth', in contrast to 'the sea' or 'the waters' from where the first beast arises. Rev 13:1.17. 17:15. (Also the four beasts of Daniel. See Daniel 7:2.3) The 'winds' on the water represents strife and war. 'Horns' also represent nations, or the ruling power within a nation.

The USA did not arise among war-stricken nations; it rose quietly, alone. The '...two horns like a lamb' are a Christian form of government with religious liberty. Later the USA will speak as 'a dragon', which represents the devil. Revel-

ation 12:9. This will be when the nation passes the 'religious' law and becomes the "image to the beast."

The first beast had its dominion taken away, called a "deadly wound". Rev 13:3. The wound began to heal in 1929 when Mussolini gave back the papal states. It will be fully "healed" at the end, but the U.S. will empower it. Rev 13:3. ¹² Rev 13:13.14. ¹³ Rev 13:14.

P9. ¹⁴ Matthew 24:15-18.

* Many countries have Sunday closing, such as Germany, Austria, Denmark, Belgium, Greece Slovenia, France, Italy, Spain, Netherlands. In 1997, Australia repealed Sunday Observance Laws of 1677 (UK) banning Sunday trading. We can expect to see a return to the banning of Sunday shopping.

When the United States becomes the "image to the beast", the world will be ready. In fact, the corona virus and the lockdown appears to be the conditioning of the world for the coming Sunday law. The world leaders now have control through fear; they will not want to lose that, and it is possible we will never return to normal. Will there be a progression from masks to a vaccination to a day of worship? We are yet to find out.

In the meantime, laws have been made in certain cities making masks compulsory, but masks cannot protect the wearer from a virus. Masks and respirators filter particles 0.30 to 0.80 microns in size. The Coronavirus is 0.125 microns in size, small enough to go straight through the mask to the wearer. Scientific Articles. Vaxxter. <https://vaxxter.com/coronavirus-pt-4-masks-dont-protect/>

Many people are confused by the inconsistencies regarding the covid19 pandemic. Reports are continually given from many sources, and they do not always match up. In the light of Bible prophecy we must consider that confusion is a means to control. ORDO AB CHAO -- a motto of the Masonic 33rd degree. Create chaos, then seize power under pretense of putting things back in order. (Thesis, antithesis, synthesis) These are well-known tactics.

The Coronavirus was submitted for patent in 2015 by the Pirbright Institute and granted in 2018. A virus cannot be patented. This means it “needs to have been modified or ‘made’ by human action.” www.spruson.com/patents/

Do you remember a 1990 speech by George Bush Snr? “Out of these troubled times, our fifth objective — a new world order — can emerge: a new era — free from the threat of terror, stronger in the pursuit of justice, and more secure in the quest for peace... Today that new world is struggling to be born, a world quite different from the one we've known. A world where the rule of law supplants the rule of the jungle. A world in which nations recognize the shared responsibility for freedom and justice. A world where the strong respect the rights of the weak... America and the world must defend common vital interests — and we will. America and the world must support the rule of law — and we will...”

Are we now in the final birth pangs of this N.W.O?

According to Pope Francis and Nancy Pelosi, our shared common interest is the air we breathe and the threat of climate change. Will this become the rule of law that will secure peace for all?

The late Malachi Martin, former Jesuit and professor at the Vatican's Pontifical Biblical Institute and advisor to four popes wrote in his 1991 book, 'The Keys of this Blood', "Willing or not, ready or not, we are all involved in an all-out, no-holds barred ... global competition. Most of us are not competitors, however. We are the stakes.... "No holds barred because, once the competition has been decided, the world and all that's in it – our way of life as individuals and as citizens of the nations; our families and our jobs; our trade and commerce and money; our educational systems and our religions and our cultures; even the badges of our national identity, which most of us have always taken for granted – all will have been powerfully and radically altered forever. No one can be exempted from its effects. No sector of our lives will remain untouched." Keys of this Blood p16.17.
